## It's Patio Season!

Sunshine, fresh air, and patio time are part of everyday life at Dundas Manor. Every homestead has its own patio; ground-floor patios just steps from dining spaces, plus upstairs balconies off resident sunrooms. Perfect for relaxing, visiting with family, or enjoying a favourite drink outdoors.

## Crack Open a Window

Every room comes with its own functioning window, perfect for letting in a breath of fresh air whenever the mood strikes. Plus, with an easy-to-use thermostat in each room, residents are always in control of their comfort.

## Time at the Spa

Each resident homestead will have its own spa room; a private, comfortable space thoughtfully designed with residents in mind. Every spa includes a spacious entry area, plus separate shower, bath, and toilet rooms. With plenty of space to move safely and built for privacy, it's a practical, resident-focused space that fits into daily life with ease.

## Looking Good Out There!

Things are really taking shape outside! Exterior finishes are rolling along, with siding, stone, and brick bringing warmth and character to the new home. Landscaping is already underway, and asphalt and final curb work will kick off in mid-May.
