

RECOGNIZING YOU

THE SOCIETY FOR  
*Compassionate*  
CARE FOREVER

*Welcome to the Family*

Everyone who makes a planned gift to the WDMH Foundation to benefit the Winchester District Memorial Hospital is welcomed into our [Society for Compassionate Care Forever](#). It's our way of thanking you, and honouring your commitment to compassionate care forever through your legacy gift.

It is hoped that your choice to invest in your hospital will have a ripple effect, and inspire other donors, patients, visitors, staff, volunteers, and physicians of WDMH to do the same. The ripple effect is important in raising funds, because people like to work towards goals together, and be part of successful efforts. Your consideration of this ripple effect and its impact for the hospital in the distant future could mean wonderful things for WDMH.

**MEMBERS RECEIVE:**

- Life-long association and contact with the WDMH Foundation (in agreed-upon ways);
- Recognition in our annual report;
- Listing on the Society's donor plaque at the hospital, located in the WDMH main lobby (if desired, can be listed under "Anonymous");
- Invitation to the Foundation's Leadership Society Brunch(es);
- Invitation to other events and seminars, as available;
- And a subscription to our newsletter (sent three times annually).

Please note that membership is not mandatory and all details of your gift are kept strictly confidential, as we respect your privacy. Any donors not seeking to be publicly recognized will be recognized and thanked privately, based on your preferences and/or our policies.
