Impact Report

2020

Our Commitment

Together with current and future donors who - like us - value excellence in local health care, we work to inspire and support their investments of time and financial gifts.

We work hard to ensure that our donors trust us, feel our gratitude, are well-informed, and enjoy positive giving experiences. In all things, our donors are #1.

We value accountability, transparency, integrity - and celebrating our donors' achievements and successes along the way.

New Tools

Only because of our donors, 43 new pieces of equipment were purchased for WDMH last year. This equipment is having an impact throughout WDMH - from the operating rooms to obstetrics to the ER.
