Candlelight Fun

Terri-Lynn Villemaire is a candlemaker and loves her craft. She also loves her local hospital. So she has come up with a unique fundraiser to combine both.

Over the next month, Terri-Lynn will donate \$3 to the WDMH Foundation's Family Care Fund for every candle sold. Each candle is only \$15. There are more than a dozen fragrances to choose from.

These hand-poured candles and melts are made from 100% Soya wax, paper and unbleached cotton wicks and fragrance. That means they burn 30% slower with a longer lasting scent.

"Thank you to Terri-Lynn for contacting the Foundation with this unique idea. We really appreciate the support of our local communities," notes Cindy Ault Peters, Manager of Direct Mail & Events.
