

## **MEDIA RELEASE**

Date: May 13, 2019

### **Springtime Gift from Dundas Soil and Crop Association**

Earlier this spring, the Dundas Soil and Crop Improvement Association once again made a generous gift to the WDMH Foundation, as part of their Spring Update Meeting in Chesterville. The Association donated \$500 for our Family Care Fund.

“The Dundas Soil and Crop Improvement Association has been a long-time supporter and we are so grateful,” says Kristen Casselman, Managing Director. “Since 2002, the Dundas Soil and Crop Improvement Association has donated \$6,400 to the WDMH Foundation.”

Other recipients at the event were Community Food Share, 4-H, and the Dundas Farm Safety Association.

Donations to the Family Care Fund will be used where a gift is needed most: to buy new medical equipment, upgrade existing equipment or meet other urgent needs at WDMH. We work with our donors to help ensure compassionate, excellent health care. The Family Care Fund ‘supports families just like yours’.

Cutline: Shown at the presentation are (l-r) Kristen Casselman (Managing Director, WDMHF), Food Share board member Jim Wilson, DSCIA President Mike Rosendaal and Andreas Jampen, representing both the Dundas Farm Safety Association and 4-H.
