### **Olaf & Friends Celebrate Family Day!**

Thank you to everyone who took part in the WDMH Foundation's Family Day Skate on February 18<sup>th</sup>. Close to 300 people joined us at the Morrisburg Arena - including Olaf! It was a great opportunity to raise awareness about WDMH and the Foundation.

"We want to connect with our community, and it was nice to meet so many new friends at the event," said Cindy Peters, Manager of Direct Mail and Events.

Thank you to all of the volunteers who helped make the event possible. The Morrisburg Lions Club looked after feeding the crowd and donated all of the hot chocolate and hot dogs. Happy Face Nursery School provided amazing face painting. Other volunteers were there to greet our guests and hand out food and raffle tickets. Finally, thank you to the Municipality of South Dundas and the Morrisburg arena staff for their support.

"There is great community spirit in our local region and we really appreciate everyone's support of health care close to home at WDMH," summed up Kristen Casselman, Managing Director. "Thank you for celebrating your Family Day with us!"
