Donate Your Car – And Support Local Health Care At The Same Time

If you have an old car or truck sitting in your driveway, we can help! Donate your old or unwanted car to the WDMH Foundation, receive an official income tax receipt, and support local health care at the same time.

The WDMH Foundation is pleased to partner with HospitalCars.ca. It accepts vehicle donations on the Foundation's behalf. The vehicles are recycled or sold at auction. Donors receive a tax receipt and the Foundation receives a donation.

"This is a unique, new fundraising opportunity for WDMH and we are excited that we have already received donations," says Kristen Casselman, Managing Director, WDMH Foundation. "The process is simple and it's a win-win for everyone."

HospitalCars.ca will pick up your vehicle free of charge. For more information or to request a quote, call 613-706-0482 or visit <https://hospitalcars.ca/winchester> to access the online form.
