Big Smiles!

It's an annual fall tradition that we all look forward to. Thank you to Robert and Denise St. Denis – owners of the four Tim Hortons in Winchester, Long Sault and Morrisburg – for once again choosing WDMH as the beneficiary of the Tim Hortons Smile Cookie Campaign. And thank you to the close to 10,000 cookie lovers who supported the cause!

The campaign took place across Canada in September. In the four local stores, \$9,764.15 was raised, with the money going to support the Foundation's Digital Mammography Fund. A total of \$9.8 million smiles (and dollars!) was raised across Canada, for more than 500 charities and organizations.

Tim Hortons Owner Robert St. Denis says it's good to give back: "We believe it's important to support the hospital, to be sure that they have the needed equipment to continue their great work."

"We are grateful to Robert, Denise and their team for choosing WDMH," notes Cindy Peters, Manager of Direct Mail & Events. "And the cookies were delicious too!"

Many people are surprised to learn that the provincial government does not fund the purchase of medical equipment for Ontario hospitals. To help ensure that WDMH has the right tools to provide excellent health care for our patients, the Foundation works with donors who care about WDMH and who want to make an impact. Thank you!

Cutline: At the presentation (l-r) are Cindy Peters (Foundation Manager, Direct Mail & Events), Kathy Barkley (Trainer), Justin Boyer (Baker) and Corey Adams (General Manager).
