

We have a new parking system!

If you are coming to the Community Care Building, please note:

1. Tokens will no longer be used.

Visitors will take a parking ticket at the gate. Bring it to your appointment for validation. You will insert the validated ticket into the machine upon exiting.

2. Daily Rate for Non-CCB Appointments/Visits — \$5 Per Visit

The CCB parking lots have a daily parking rate of \$5 per visit for those who are not card holders or who cannot have their ticket validated by a CCB tenant. In this event, the visitor will pay \$5 at the exit gate, using a credit card.

3. Grace Period

Visitors may access the parking lot for 15 minutes without being charged (for picking up or dropping off visitors/patients or delivering items). Take a ticket upon entry. The entry ticket will be scanned at the exit and the gate will open, provided the 15-minute grace period has not been exceeded.

*Thank you for your patience as we implement these changes.
